

NELSON BAY 2021

It was a much looked forward to return to Horizons and Pacific Dunes after an absence of 8 years but the weather gods had plans for that weekend; nasty unwelcome plans.

The weather was terrible – probably as bad as we have experienced for many years – rain, gale force winds at times and the cold on Saturday at Horizons left us with no appetite to back up for more of the same at Pacific Dunes Sunday so we fled home!

We did manage to play 9 holes at Horizons but the majority elected to call it a day when we got to the clubhouse very wet and frozen and the Committee declared it to be a 9 hole competition.

Scores for some were exceptional and forgettable for others. Malee and Kathy together with Mick Lees, Dave Vanderwiel and Guthrie Amaru took on the back nine and continued to play all but 2 holes behind the same social players we followed on the front nine when it took us 2hrs 50mins because they were so slow and inexperienced.

On Sunday morning we breakfasted at Pacific Dunes where they opened early just for us, as the steady rain continued so we presented yesterday's winners with their prizes and left for home.

Cost for the weekend worked out to be \$208.75 each and everyone received a refund of \$95.
