SOUTH COAST TOUR

21ST – 23RD November, 2021

After the unwelcome cancellation of the Hunter Tour and the abandonment of the Masters Series events and the long lock-down from Covid, it was a welcome change to get away for a couple of days and nights to socialise and play golf.

Despite the dire weather predictions and some heavy rain leading up to our departure, the weather gods smiled upon us and, aside from one short sharp shower at St Georges Basin on the first day, we had super weather although a bit wet under foot on occasions. But the tour was not without some drama after JV was a late withdrawal suffering fractured ribs and Tony Arnold became a late substitution to maintain a full field of 16.

Then at 8:30am with some of us already 'en route', JV received a text message from Worrigee Links to say the course was closed for the day. After some frantic phone calls we changed our destination to St Georges Basin who welcomed us as the only players until later in the afternoon when the weather cleared a little and some more brave social players teed off.

That worked out well for us when the green fees were \$5 per head cheaper than Worrigee and also included a \$5.50 drink voucher each. On top of that the Pro donated a dozen golf balls for our own ball comp – very generous and much appreciated by all (except the bottom 4 scorers who missed out).

The accommodation at Worrigee was excellent and the facilities at the club first rate. Most of us are now social members having easily saved more than the initial the m'ship cost through drink and dining discounts.

Trevor Gough came from behind on the last day to win his first Tour Champions title after Keith McLaren came out of the boxes at a startling pace on the first day but couldn't sustain the effort. Ross Nattrass finished runner up and picked up the biggest skin of \$96 at Mollymook with a spectacular birdie on the second hardest hole on the course – the difficult uphill par four 14th and then promptly spent the lot that night on a generous round of drinks for the whole group.

Kieran McGuire put in a great finish with 6 birdies and 4 bogies on the last day to take out best golfer on tour but the effort wasn't enough to compensate for the previous 2 days. What a strange game it is that we play when successive days can be so different – just goes to show that we never know what's going to happen from one day to the next.

The Gold Team ran out winners with just 18 points separating first and last. The winning margin was only 3 points in the end from the Red Team with the 3rd placed Green Team 2 points further back.

Keith McLaren, without aggression or temper, on the first tee at Mollymook smashed the forward tee marker with a well struck but very low trajectory drive that left the highly suggestive 'humping dolphins' in pieces and his ball only 10 metres further on. Guess it could have been worse but he did start with a wipe.

All in all another very successful and enjoyable tour. Full results are;
