

THE MASTERS SERIES ::: Moss Vale – 19th June, 2022

At last the series got underway free from wet weather and Covid. It was mostly sunny and cold but fine with no wind until a small breeze arrived late in the round.

Darron Robinson had a day out to run to the early lead in the race to Macquarie Links with a super round of 41 points with 32 the next best from Dave Vanderwiel. Only 7 of us managed 30 points or better and most struggled with the small, raised and tricky greens and the tight tree lined fairways. The course was in good condition and we were given a special price in the end which meant our cost for the day remained unchanged.

Not surprisingly Group 1 with Darron Robinson in it, ran out easy winners in the Split 6 while the Red Team, without Darron, won the teams event by 6 points from the Blues – I hope that's not an omen for the next State of Origin! Only 2 survival balls made it home and Group 2 prevailed over Group 5 after a 'lucky dip' draw.

Again the bulk of the skins went to Darron who picked up \$120 to add to the Single event, the Group event and the Secret Six event prizes giving him a total collect of \$190 for the day and the leader in the big dance. Well done Robbo!
