

THE MASTERS SERIES ::: The Ridge – 7th August, 2022

We had 12 players backing up from Round 1 of the series and 8 new contenders joining the second game in the race to the grand finale and, although it's still early days, Robbo has already lost his grip on the top of the slippery pole. A cool but fine and sunny morning greeted us but a short sharp shower or two arrived before the whole field got back to the clubhouse. The course was in good nick and I think enjoyed by all.

John Hardy won the individual on a count-back from Guthrie Amaru with a very handy 38 points. The 2nd Group won the Split Six, Trevor Gough won the Secret Six, the BLUE TEAM won the teams event, three survival balls came back and the draw was won by Group 1.

Ross Natrass picked up the biggest 'skin' of the day with \$90 for a 4 pointer on the 5th hole (we teed off on the 10th) and it would have been worth \$50 if we'd started on the 1st.

Unfortunately, Killer and Michael Lees did not finish their round as John had an urgent call from home and they departed after only 7 and 9 holes respectively. At last report all was well with John's wife and we hope it stays that way.
