

ANTILL PARK PINK BALL AMBROSE

Sunday, 29th September, 2024

The weather was kind to us for the running of the second annual Pink Ball Ambrose with little or no wind, no rain and pleasantly warm temperatures.

A full field of 24 with a couple of new faces set off from 11am to combat the pressure of the dreaded Survival Ball and just 2 groups succeeded in bringing it home; with G6 being the least successful losing it on the 3rd and G1 little better losing it on the 5th - at least G3 and G4 carried it to the 17th while G2 and G5 handed it in at the finish and decided to share the prizemoney rather than take a chance on a lucky draw for the full value.

As it turned out G2 scooped the pool winning both the Ambrose and the Aggregate after a stunning 10 under par round to win both events easily and add to their survival ball success. The Teams event was much closer when the Blue Team prevailed over the Red Team by just one solitary point. All in all, so far as I am aware, the day was successful and enjoyed by all.
